## WHAT WE DO

With our Spirit-filled network of justice-seekers across the country, NETWORK **educates, organizes, and lobbies** for federal policies that enable our communities to thrive.

NETWORK coordinates lobby visits, activates our field with action alerts, creates educational resources, hosts events and trainings, and more!

## Our Faith Compels Us to Work For...

**Food security**

**Workers' rights**

**Affordable housing**

**A just tax code**

**A healthy climate**

**Health care for all**

**Freedom from gun violence**

**A humane immigration system**

**A just criminal legal system**

**Democracy and voting rights**

## *You might have seen us recently on our nonpartisan 2024 Nuns on the Bus & Friends "Vote Our Future" tour!*

From Philadelphia to San Francisco, we spoke with voters and partners across the country about their communities' concerns, needs, and hopes, and the importance of multi-issue voting for the common good.

Whether we are nurses or farm workers, welders or coders, students or retirees, we are made in God's image and we deserve to thrive.

In the 119th Congress, NETWORK, Catholic Sisters, and our advocates and partners will continue to work with our elected officials to ensure federal policies that reflect our dignity and deliver what working people and families need to thrive. Let's get to work!
